SUBJECT: Response to the Grand Jury 2013-2014 Final Report on the Napa County Transportation & Planning Agency and Vine: Management & Ridership for the Future

Dear Judge Boessenecker,

The Calistoga City Council has reviewed the findings and recommendations contained in the 2013-2014 Final Report on the Napa County Transportation & Planning Agency and Vine: Management & Ridership for the Future. This report specifically requested that the City of Calistoga respond to the following recommendation:

Recommendation 8: NCTPA should implement within the current fiscal year a coordinated VINE marketing strategy with each Napa County jurisdiction so that NCTPA's transit services are readily available and consistently communicated across all public, community and visitor websites.

As required by Penal Code Section 933 (c), the following is the City of Calistoga response:

R8. The Calistoga City Council will direct staff to work with the NCTPA and other jurisdictions as they develop further marketing strategies so that all of NCTPA's transit services are readily available and consistently communicated across all potential users. This will include placing information on the City's website once the information is developed.
